START HERE

How to use your planner

YEAR AT A GLANCE

1 Download

- On Etsy, open You → Purchases and reviews, then tap Download files next to this order.
- On iPad, save the PDF to the Files app (or iCloud Drive) so your note app can find it.
- Tip: download on the iPad itself if you can; it saves a step.

2 Import

- GoodNotes: tap + (New) → Import, choose the PDF. It opens as a new notebook.
- Notability: tap Import (or + → Import file) and choose the PDF.
- Xodo: tap the folder icon → Browse files and open the PDF.
- Or in Files, tap the PDF → Share → open in your app.

3 Navigate

- The tabs on the right go to Year, each month and Notes, from every page.
- Year page: tap a month name for its calendar, or any date for that week.
- Month page: tap a week row (or its W-number) to open that weekly spread.
- Weekly pages have buttons back to the month and to the previous / next week.

WHAT'S INSIDE · TAP TO JUMP

YEAR AT A GLANCE · IMPORTANT DATES · 2027 GOALS · MONTHLY CALENDARS · GOALS & REVIEW · HABIT TRACKERS · 53 WEEKLY SPREADS · 10 NOTES PAGES

GOOD TO KNOW

- If a link doesn't respond, switch your app to read-only / view mode, tap the link, then switch back to writing.
- Links only work inside the planner: keep it as one notebook rather than copying pages into another file.
- Weeks start on Monday and use ISO week numbers. The first week begins Mon, Dec 28, 2026 so Jan 1–3 have a home.
- Need more room? Duplicate any Notes page in your app's page / thumbnail view.
- Add stickers, photos and highlights freely; the planner is a flat PDF, so nothing will shift.
- For personal use only. Please don't share or resell the file. Thank you for supporting a small shop!
